

# Worklab

Collaboration without boundaries  
Custom high performance writing boards

WORKLAB by Cre8 is a full height whiteboard wall, manufactured in Australia combining local product with the world's leading ceramic steel writing surface, Polyvision.

WORKLAB is a series of vertical whiteboards, seamlessly installed using a custom joining system. The whiteboard surface is magnetic and projectable with a lifetime warranty.

WORKLAB frame colours are available in black, white and clear anodised or a range of custom powder coated colours.

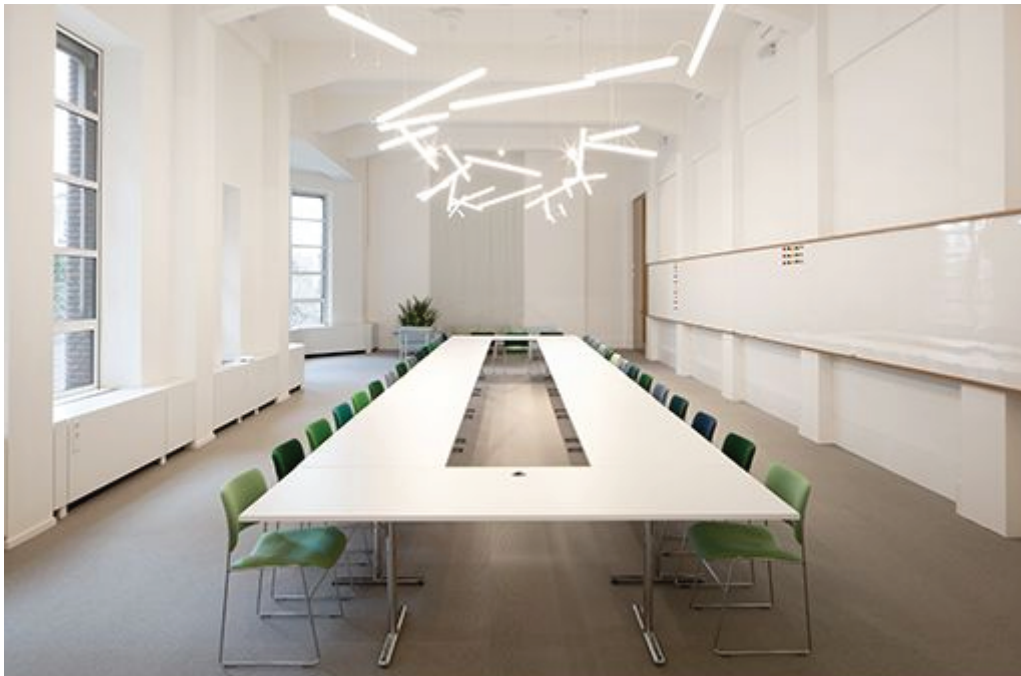

WORKLAB by Cre8 features a magnetic super smooth writing surface with optimum erasability eliminating ghosting. With a clear marker to whiteboard contrast, Polyvision's ceramic steel offers readability not found with other surfaces. Scratch, bacterial and chemical resistant. WORKLAB enhances visibility and optimum eye comfort, WORKLAB Polyvision simply outperforms.
